2015/16 Citizens' Guide to the National Budget

This guide is intended to explain the national budget for the 2015/16 financial year in simple and easily understood language to Namibians. It explains how the Government plans to collect money from various sources and how it will spend it over the course of the year in order to meet the aspirations of the people.

English Afrikaans Damara / Nama Otjiherero Oshiwambo Rukwangali

" No Namibian must feel left out. "
